Jacob Cadiente

Full Stack Developer

646 Whittingham Place
Lake Mary, FL
321-662-9165
jacob.cadiente@gmail.com

SKILLS

Heavy first hand experience with languages such as PHP, SQL, HTML5, CSS, Sass/SCSS and Javascript, including Javascript frameworks such as Node.js, React.js, Vue.js. Knowledgeable in dev tools such as ORM's, IDE's, Vagrant/Ubuntu, Jira, Scrum and Git.

I bring hard work, dedication and a passion for OOP and UI/UX. I thrive in team environments and love bouncing ideas and creativity off one another
